## New from the President

Greeting Brothers & Sisters:

We've had a lot going on over the summer. The Heart of the Community held a fundraiser for Honor Flight, "A Veterans Journey" documentary was presented. The event was well attended and raised a lot of money with raffles, a cake auction and donations from the Moose Riders and Lodge..

The 2024 Moose International Convention was held in New Orleans in July. I met many people from all over the US, even Canada! It was very interesting to see what the other lodges are doing. There were many classes full of good information about our organization and what my responsibilities include. Thank you to our board for your dedication and hard work.

The Tallahassee Lodge was presented with the **Premier Lodge Award**. The hard work of our volunteers and board over the last year made this happen. We had an increase in membership and donations last year and this was a big part of meeting the requirements for this award.

So many organizations, people and non profits rely on Moose support and it all starts at the local level. Over the summer months we had many fundraisers and made many donations to our community. I'm constantly amazed at how much we accomplish. No one gets paid for what they do at the lodge. They choose to give their time and resources to help others...and they give A LOT!! Moose Proud!

The Moose Legion headed up a pet food drive for the Animal Shelter. They partnered with our Bingo committee who always come through with donations of food, supplies and money. Our Bingo players are generous! Good job Moose Legion on this fund raiser!

We currently have over 900,000 members internationally and the goal is to reach a million this year!!! Our membership committee is working hard to help reach this goal. They are focusing on retaining members and reaching out to new members to welcome them either by phone or sending a card. They have a fantastic New Orientation class. Look for more in the upcoming months from this committee.

In August Heart of the Community had a fund raiser for the Havana Volunteer fire department and raised about \$1500.00. Thanks you to everyone.

We are always looking for volunteers to cook a Wednesday night meal. Our dishwasher, Kevin is recovering from surgery. This means we need help in the kitchen washing dishes on Wednesday night and Friday nights.

Bingo is always looking for help as well. They always say it is a lot of fun and it really is! . The public and players appreciate us as much as the Bingo Committee.

Fraternally, Casey

## New from the Administrator

Happy September everyone. We are back in business with the newsletter after our editor took a little well-deserved time off to relax.

We had a lot going on over the summer. We have several events planned in the next few months. The WOTM has a calendar full as well. Keep watching our Facebook page as well as our website, [www.tallhasseemoose.org](http://www.tallhasseemoose.org).

The WOTM are starting a Bunco night starting on September 12th in the Social Quarters. This event will take place on the second Thursday of each month, so come out and support the Chapter.

If anyone is interested in playing cornhole (bags) on Wednesday nights, the 850 Baggers, who 95% are moose members either here, Panama City or Moultrie GA, are looking for some beginners or less experienced players. If interested just be here before 7 pm and head to the lodge hall.

Our dishwasher Kevin may be out for a while. He had emergency surgery and is recovering but it is going to take time for him to get back to work. If someone is willing to step up for a while to help in the kitchen washing the dishes please let me or President Casey know.

There have been some more improvements in the Social Quarters thanks to Jo, Bob and Keith. We have also installed the QR reader on the front door thanks to Keith and Casey for getting it done.

We will be having a special meeting on September 10th at 7:30 pm to vote on 3 items. You will be receiving a letter in the mail explaining the items. They are to purchase a new AC Unit for the lodge hall, a new bingo machine and to vote to allow electronic notification to save money on first class postage. I hope to see many of you there.

Our Membership Chairman Sherri Leggett is doing a fantastic job. Orientations are going well, and everyone is encouraged to attend if you never have or it's been awhile.

As always, I want to thank all who have been helping around the lodge, volunteering their precious time to better our lodge and help us grow. We can always use a few more, especially in the kitchen. If you have an hour or two that you can help it will be greatly appreciated by your fellow members.

As we are heading into fall, I hope you will find time to come to your lodge and enjoy the fellowship of your brothers and sisters as well as the activities planned.

See you around the lodge

.

Fraternally, Jerry

## News from the Moose Riders

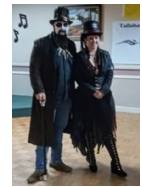

Please join us for dinner on Friday, September 6th. We'll be serving fried shrimp, cheese grits, coleslaw, hushpuppies, and Reese's peanut butter cake. Please come out and enjoy dinner, support our Lodge, and dance the night away to some awesome music!

We're planning the Halloween Party and are happy to announce that we'll have live music by The J&W Music Review band this year. We'll also be serving spooky spaghetti with meatballs, Caesar salad, and Texas toast. Please bring a spooky appetizer or dessert. We'll also have a costume contest, as well as a basket drawing, door prizes and a 50/50 drawing. The party will be from 5-9pm on October 26th so mark your calendar.

We welcome all Lodge members to join us, whether you ride a motorcycle or not. We have a lot of fun and enjoy raising money to donate to local charities! There are membership forms outside of the office in the hallway and our dues are only \$10 per year. Our monthly meetings are held on the 2nd Wednesday of each month at 6:00pm at the Lodge.

Take care and stay safe!

## News from Bingo

The past few months bingo players have showed their unending support for lodge projects. Many of our players are not members but appreciate the lodge's community spirit and support the lodge provides to the community. When we asked for dog and cat food they supplied hundreds of pounds for donations to the shelter. When asked for school supplies, once again they brought in bags full of items. Next comes cancer and veteran village support. Once again, they will be there for each project. We are so fortunate to have such a good group of dedicated players. Stop by sometime and say hello and/or join us in the bingo games.

Our attendance has grown and remains steady. With that being said a few more volunteers would be welcomed and always needed. Unfortunately, due to lack of staffing we have closed our Sunday deli. If a committee would like to step up and offer light refreshments such as hamburgers, hot dogs, pizzas or whatever as a fundraiser for their committee just reach out to Nancy Gebhart, Pam Cobb or Kristy Smith and let them know. Deli would open at 3 and close by 7.

Tell your neighbors, family, co-workers about our fabulous bingo games

## New Orleans International Convention

## News from the convention

The *AAA Project*, **Always Active At Moosehaven**, is a \$10M expansion of the Moosehaven campus including a new Sports and Recreation Center and Riverfront Pavilion. It was made possible by the fundraising efforts and generosity of Moose members nationwide.

It will feature state-of-the-art amenities including an indoor heated swimming pool, showers, gym/fitness center, multi-purpose room for group dance and exercise classes, bowling alley, electronic darts, billiards, indoor shuffleboard, golf simulator, poker room, game room with retro pinball machines, a centrally located beverage bar, and an outdoor patio with seating area, flower gardens, and a fire pit.

It was great to hear Tallahassee Moose Lodge 1075 called out.

The dollars you give every time the bucket is passed in support of the Endowment Fund are part of this total!!!

Happy to be at Session 1.

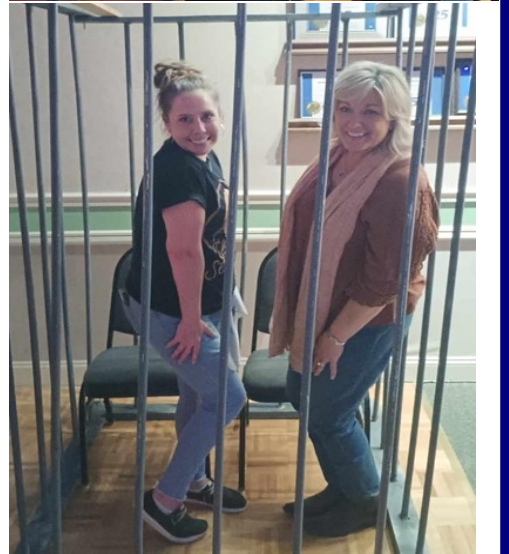

Session 3 is over time to go!
