

NEW SOCIAL QUARTERS HOURS

Effective immediately, the Social Quarters will be closed on Sundays and Mondays. Also, the closing time on Friday nights will be 9:00 PM as long as we have no Bands booked. We do not plan on bringing Bands back on Friday nights until we feel we will have a crowd large enough to support the cost. Losing money by hiring a Band is not something we need to do.

WOTM MEETING

Also, the WOTM have a Meeting scheduled for this Monday night, June 22. The closing of the Social Quarters on Monday will not interfere with this Meeting. The Meeting will be held this Monday. However, it will be discussed at the Meeting about changing the day of future Meetings.
