# KIDS EASTER PARTY THANK YOU!!

The Kids Easter Party was a huge success. All of your donations of supplies and the many Generous Cash Donations made this possible. The kids had a great time with their Baskets from our own Easter Bunny, and of course the Easter Egg Hunt. This could not be possible without you!

My personal Thanks to Lynn & Gary Hecksel. These wonderful people visit our lodge twice a year from Michigan. They camp in our campsite for a couple of months. They always make sure they are here to help with the Kids Easter Party. They have been doing this for about 4 years.

To me, that's a great Volunteer and I want to Thank You Both. Can't wait until next time we see you again.

We will be starting to collect donations for the Kids Back to School Party soon. Look for more information to be posted.
