

IMPORTANT NOTICE
LOOM (Men)
2020 Notice of Elections

Due to the outbreak of the Corona Virus and the closing of Moose Lodges, our planned schedule for our LOOM Officer Elections for the Fiscal Year 05/01/2020 to 04/30/2021 got all messed up. Moose International cancelled all elections that was normally scheduled to occur in April and rescheduled Elections to occur in June 2020. Moose International extended our current Officer's term through June 30, 2020 with new Officers to take over starting their term on July 1, 2020.

So, to make this all happen so our new slate of Officers can be elected and start their term on July 1, 2020, here is what we must do.

We previously in February and March 2020 had our Nominating Committee Meetings and basically had everything in place to read the report of the Nominating Committee (which stated who was approved to run for each Officer Position) at our Business/Membership Meeting on March 18. However, we did not get to read it because we were forced to close down the Lodge on that day due to the Corona Virus.

We must have 2 Business/Membership Meetings in June to get our elections process completed so our New Officers can take over on July 1, 2020. Our first meeting will be on the usual 1st Tuesday, June 2, 2020 at 6:30 PM. Prior to the 6:30 PM Business Meeting, **anyone who would like to be considered and added to the Nominating Committee's approved list of candidates to run for an Officer Position, must meet at 6:00 PM with the Nominating Committee prior to the Business Meeting. The Final Report of the Nominating Committee will be read at the 6:30 PM Business Meeting.**

Then, on our usual 3rd Tuesday, June 16, 2020 at 6:30PM, we will have our Elections during our 2nd monthly Business/Membership Meeting. After this Meeting, we will install the new incoming Officers.

Again, the newly installed Officers will begin their term on July 1, 2020.

If you have any questions, you may call me at the Lodge @ 575-4226 or on my cell phone @ 509-0490.

Fraternally,

Richard Williamson
Administrator
