## A MESSAGE FROM THE PRESIDENT:

Dear Brothers and Sisters,

Welcome to June! As summer kicks into high gear, I continue to be excited to see our lodge thriving with energetic volunteers and lots of ideas for social activities. I know all the committees are working hard to provide entertainment and fundraising ideas to continue our support in the community and the fraternal bonds that unite us all.

I'm looking forward to the International Moose Conference in Oklahoma City at the end of the month. By attending many workshops, meetings, and communicating with fellow brothers and sisters from across the US and Canada, I plan to bring back any changes or ideas for our fraternity.

Keeping your membership active is vital, so you can continue to enjoy social quarter privileges along with supporting our national charity foundations. Renewing is simple online or by stopping in the lodge. Help is just a question away.

Be sure to check our monthly calendar for meals and activities, along with the video board in the social quarters. I encourage you to bring your family and invite friends to help our lodge continue our mission of local charity and mutual support.

As always, thank you for your continued dedication to making our lodge and community a better place.

Fraternally yours,  
Larry Durrance  
President

## A MESSAGE FROM THE ADMINISTRATOR:

Happy June to all.

Our first month of the new Moose Year is behind us, only 11 more to go. The new board is working well together and are working to make improvements to the lodge and its activities.

The WOTM have planned many great dinners and events for the coming year. Please come out and support their dinners and events.

Summer is here and we know that many of you will be spending time with your family at the lake or the beach but try to make time for your Moose family as well.

As the days heat up be sure to keep cool and hydrate. Find that nice shade tree , have a cold beverage, and relax for a while. Life is short so enjoy it while you can.

At the end of June several of us will be attending the Moose International Convention in Oklahoma City. I'm sure we will have a great deal of information to bring back as well as some awards.

Remember to be kind to your brothers and sisters in the Moose, after all we are family. We may not always see eye to eye on everything but always keep your eye on the big picture and help us prosper and grow.

Keep watching our Facebook Page Lodge 1075, Chapter 1103 for updates and events. You can also check out our website at [www.tallahasseemoose.org](http://www.tallahasseemoose.org).

As always, thanks to all who take time to volunteer at our lodge, no matter what you do, you are very much appreciated. You are what makes our lodge the best it is.

Happy Father's Day to all, hope to see you on Father's Day for breakfast on 21st.

See you around the lodge.  
Fraternally, Jerry

## FROM HEART OF THE COMMUNITY:

We delivered the peanut butter and jelly, collected during the month of April, to Second Harvest. They were very excited to receive it. Ya'll outdid yourselves! This year we donated 1,473 pounds to the PB&J PLZ campaign - almost 400 pounds more than last year. Great job!

## Chaplain:

We have had and still have several members that are sick or distressed this past month. I ask that you take a moment and pray for our members to heal physically, mentally, and financially.

Our Heavenly Father, we ask that you place your healing hand on our precious members and restore them.

On June 20, 2026 from 1:30PM - 4:00PM, we will have a Celebration of Life for one of our members. David Rau was a Marine and a loving father and husband. Please come and join us.
